# How To Develop A “Millionaire Mind!”

## “The Secret Psychology of Wealth”

*Zero to millionaire  
in only 2-1/2 years!*

SAN DIEGO - “There is a secret psychology to money,” says T. Harv Eker, internationally known speaker and author of 11 top-selling books and courses, “Most people don’t know about it, that’s why most people never reach their financial potential.”

Eker explains, “Your outer world is simply a reflection of your inner world! A lack of money is not a problem, it is merely a symptom of what’s going on underneath! The fastest and only way to permanently change your financial situation on the outside, is to first change it on the inside.” Eker should know, using this strategy he went from zero to millionaire in only 2 1/2 years!

“Give me 5 minutes,” says Eker, “and I can predict your financial future for the rest of your life! How? By identifying your ‘personal money and success blueprint’.” According to Eker we all have a money and success blueprint already ingrained in our subconscious. “It’s imperative to recognize what your own financial blueprint is set for. Is it success, mediocrity or failure, struggle or ease, high or low earnings, consistent or inconsistent income, spending or saving, picking winning investments or picking losers?”

When asked how you can tell, Eker explains, “One way is to look at your results! If the temperature in a room is 72 degrees, chances are the thermostat is set for 72. Regardless of whether you are making \$20,000 or \$100,000 per year, unless you raise your ‘internal money blueprint’ you will never substantially raise your income or net worth.”

“Unfortunately for most people,” says Eker, “your current blueprint will stay with you for the rest of your life, unless you identify it and change it. There is a powerful, one evening seminar that will do just that. It’s called The “Millionaire Mind, The Secret Psychology of Wealth.” In this seminar you will learn how to completely recondition yourself for financial success. For many people, the change will be immediate and permanent.”

### Here’s just a portion of what you’ll learn!

- The 5 critical ways rich people think differently than the poor & middle class.
- The hidden cause of almost all financial problems.
- How your childhood conditioning is affecting you financially today.
- Why knowledge & skill do not create wealth.
- How to attract so-called “luck” with money and success.
- How to train your “mind” to work for you instead of against you.

“Money miracles can occur when we get out of our own way,” says Eker. “The problem is, by ourselves, we can never see what’s holding us back from reaching our full potential. Einstein said it best, ‘you can’t solve a problem with the same *mind* that created it.’ The information in this course is extremely powerful! If you learn the strategies and use them, your financial life will change forever.”

Over the past 10 years, Eker has helped over 50,000 people change their lives. Here’s what a few of his students have shared.

*“Since attending your program several months ago, my income has quadrupled. Thanks!”* - Sian Lindem

*“I am a real estate agent. After the course, in one weekend I closed four deals!”* - Debbie Filippelli

*“Since the course my income has taken a quantum leap. I have saved more money in the last 10 months than I have in the previous 10 years. Thank you!”* - Robert Hall
